POLY FENCE

SNAP-ON post caps

Wall thickness is 3 times thicker than PVC

POST

RAIL

All components made from high-density polyethylene

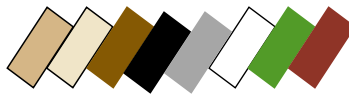

Easy to assemble !
Unbeatable durability !

POST & RAIL FENCE ▼

- ◆ **Kick-Proof** High-density polyethylene (HDPE) Post & Rail fence **will not shatter** from horse kick-pressure.
- ◆ **Maintenance-free** Will not fade, chip, rust or rot. Polyethylene material is made for long-life applications.
- ◆ **Secure Posts** 6" x 6" square posts are 6, 7, or 8 ft. tall. Polyethylene material is almost 1/4" thick, and will never sag like wood.
- ◆ **Easy installation** A post hole digger is the only required tool for installation. 8 ft. long rails insert easily and lock into posts using a safety-lock system. Snap the post caps on and the system is complete !
- ◆ **Sand Rings** Aesthetically pleasing, Post & Rail fence will last for many years.
- ◆ **Mix & Match Colors !** HDPE fencing is so versatile, create your own color scheme to match existing buildings and structures.

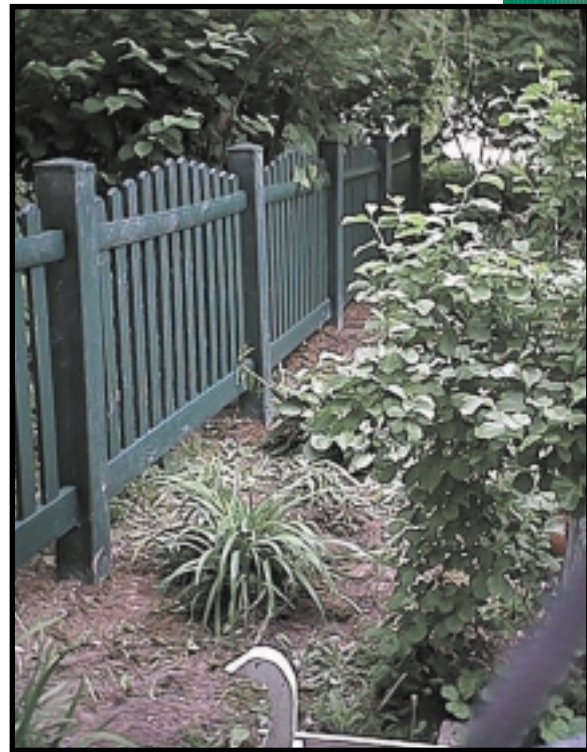

Any color !

beige/bone/brown/black/grey
white/green/redwood

Posts are 6', 7' or 8' tall.
Rails are 8' long.

POLY FENCE

▲ PICKET FENCE

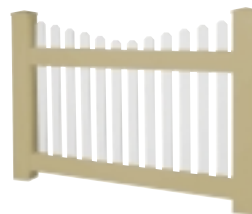

- ◆ Made from high density polyethylene.
- ◆ Will not crack.
- ◆ Stronger than PVC.
- ◆ Easy to install.
- ◆ 6' long picket sections come in 3', 3.5', 4' and 5' tall
